Attn: Michelle Liljeroot, Campaign Finance Analyst |

□

In response to your letter dated July 22, 2003, you listed several contributions that were not reported on a required 48-hour notice. After reviewing our records, it was concluded that the campaign inadvertently missed getting those contributors submitted on a 48-hour notice. The campaign will take the necessary steps to ensure that this issue does not occur again in any future reporting periods. |
